

MEDICAL ABSORBENT FLOOR MATS & ROLLS

Dry floors. Safe surgeries. Your brand.

Engineered for operating theatres — captures saline, blood and disinfectants at the source, and made to your exact specification.

Rapid fluid capture

Wicks up saline, blood & irrigation run-off the moment it hits the floor.

Slip & fall prevention

Keeps OT floors dry and sure-footed through fluid-intense procedures.

Faster OT turnover

Peel up and dispose in seconds — no soaked linen, no mopping delays.

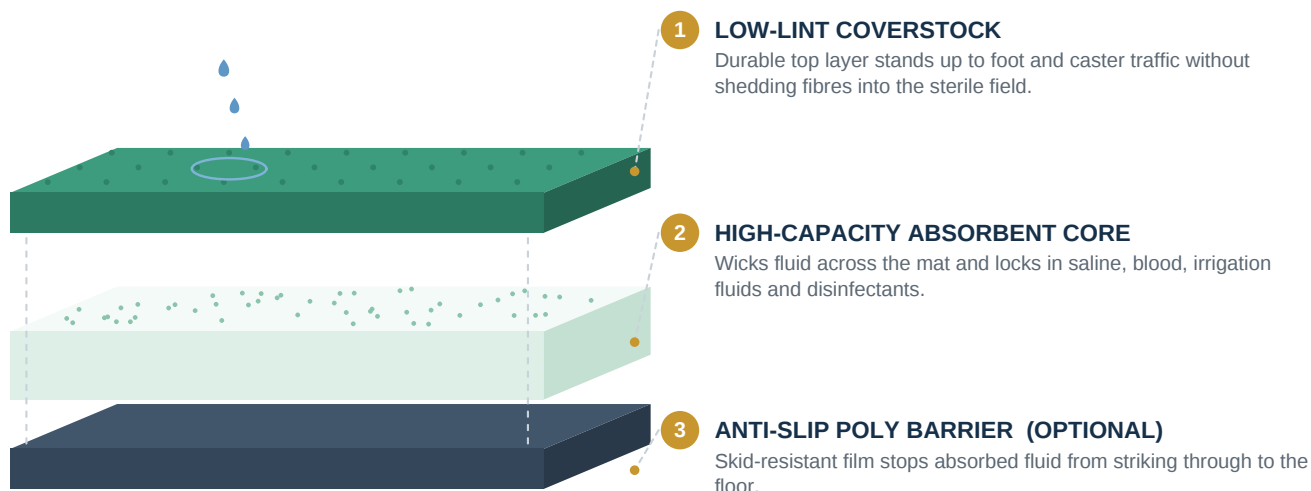

Single-use hygiene

Fresh mat every procedure supports your infection-control protocol.

— INSIDE THE MAT

Engineered layer by layer

Also available non-backed with a fast-wicking base — a lighter option where a fluid barrier isn't required.

OPTIONS & ORDERING

Your specification. Our production line.

Every parameter below is open — we run the line to your order, not from a fixed catalogue.

FORMAT	BACKING	STANDARD COLOURS	HI-VIZ & CUSTOM PRINT	SIZES & WEIGHTS
Mats (pre-cut)	Anti-slip poly backed or non-backed	Green · Blue · Grey	Hi-viz print or any custom design	Made to your specification
Rolls (perforated)	Anti-slip poly backed or non-backed	Green · Blue · Grey	Hi-viz print or any custom design	Made to your specification

IN THE OPERATING THEATRE

Deploys in seconds — lies flat before the procedure begins.

Captures run-off at the source; the floor stays dry and slip-free.

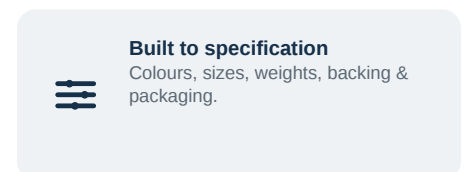

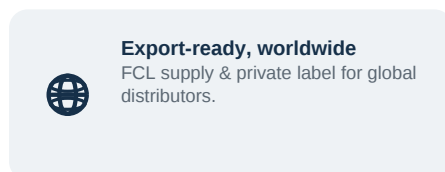

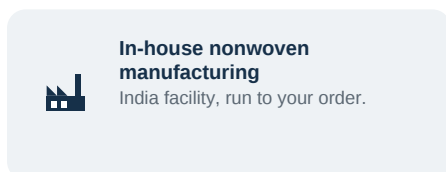

Poly backing locks fluid in — peel up and discard for fast turnover.

OEM · PRIVATE LABEL

We manufacture. You brand.

- Supplied under your branding — product, label and packaging
- Custom colours, prints, sizes, weights and pack formats
- Consistent OEM supply, export-ready in FCL volumes worldwide

Send us your target sizes, colours and volumes — we will build the product around them.
